FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

IN RE: Replacement of radio systems

Dear Sirs:

Pursuant to a memorandum received by me from The Deputy Director of the Association of County Commissioners dated 5/3/93, I am writing this letter to inquire what the purpose of this proposed change would bring? I must express my opposition to this change, as my Department has purchased new base equipment, new mobile units, and new portables for our Deputies over the past 3 fiscal years. The total amount spent has been in excess of \$15,000, which none of the above listed purchases were budgeted items for our Department.
